One Intensive Year to Finally Complete That Manuscript.

FEATURING

Memoir/CNF Writing Project with Nicole Helget

Memoir and nonfiction can take many shapes. But no matter what direction you're headed, this year-long project will help you finally finish your book-length manuscript.

Novel Writing Project with Peter Geye

A year is more than enough time to finish a novel manuscript. This project will give you the tools and support to complete your novel manuscript.

Poetry Project with Gretchen Marquette

In this year-long Poetry Project, you'll work on and develop individual poems while interrogating what anchors and grounds your collection. By the end, you'll have a completed and cohesive manuscript collection.

Picture Books Project with Molly Beth Griffin

In this new year-long project, you'll explore everything you need to know about writing picture book manuscripts, from first thought to publication.
