WELCOME TO THE LOFT’S
2020 YOUNG WRITERS’ PROGRAM!

It’s hard not to be little nostalgic in the face of a new year and a new
decade, but reflecting back on the many wonderful summers we’ve
spent running our Young Writers’ Program only makes us more excited
for what’s in store this year.

We have a number of new classes to explore and a lot of returning
favorites. This summer we’re rethinking the superhero (and creating our
own), confronting what it means to be writing—and living—in the time
of climate change, making our own books with the help of our friends at
the Minnesota Center for Book Arts, and even writing our own movies!

At the Loft we take young writers seriously. Whether you’ve spent years
scribbling away in your notebook and nursing dreams of publishing your
own book one day, or you’re still trying to find your voice, we welcome
you. One of the best parts of every summer is watching students
discover, or rediscover, that there is joy to be found in writing and
reading. So sharpen your pencils, dust off your novels, or just get ready
to write, create, and explore!

Our classes are generally broken down into suggested age ranges of
13-17, 15-17, 12-14, 9-11, and 6-8 years. “Combo” classes happen in
partnership with the Minnesota Center for Book Arts and include writing
in a Loft classroom, and hands on book arts activities in MCBA studio
space on professional equipment such as printing presses.

If you’re brand new to the Loft, or to writing in general, and have
questions on where to jump in, please feel free to call Loft program
associates at 612-379-8999; we have something for everyone!

**GENERAL PROGRAM INFORMATION**

**Registration** | Registration is open as long as there is space available in a class. Your student must be registered before the start of the second class meeting. There is a non-refundable registration fee of 15% per class. You can register your child or teen online at [www.loft.org](http://www.loft.org) or by calling 612-379-8999. You will receive a detailed confirmation letter once your registration has processed. Walk-in registrations are also accepted during office hours (T–F, 9 a.m.–5 p.m.). We are here to help.

**Cancellation & Refund Policy** | If the Loft cancels a class for which your student is registered, you will be notified approximately five business days in advance and issued a 100% refund. This is the ONLY scenario in which the Loft will issue full refunds. If you need to cancel a registration, notify the Loft education office before the start of the second class meeting to receive our standard 85% refund. No partial refunds will be given after the start of the second class meeting.

**The Loft’s Student Food Allergy Statement and Plan** | The Loft strives to provide an environment that is safe and healthy for our students with severe food allergies. Food allergy management requires a comprehensive and coordinated team approach, with parents, students, and teaching artists working to reduce the risk of students ingesting an allergen.

NOTE: Open Book, the building where the Loft is housed, is a public building with an independently owned and managed restaurant on the first floor, and we cannot guarantee an allergen free environment in this space.

*Parents, please help us mitigate the risks for severely allergic students at the Loft in the following ways:*

- Tell the Loft if your child has severe food allergies and what the appropriate steps are if a reaction occurs. Provide your child's medication (if applicable) to our education team. Please do this by calling the education office (612-379-8999) at the time of registration, no later than 1 full week before the start date of your child’s class. The Loft will notify your child's teaching artist of the allergy and instruct them on appropriate care management.
- Provide the Loft with emergency contact information.
- Do not send your children to a Loft class with snacks or lunches containing peanut or tree-nut products (including peanut and almond butter and other items containing nuts).
- Remind your child not to share snacks or lunch items with other children, and do not bring food to be shared at events and activities that includes peanuts, tree nuts, and any foods containing these allergens.
- Educate your allergic child in the self-management of her/his condition, as is age-appropriate. Consider having your child wear a bracelet that lists the allergy or medical condition.

Students experiencing an allergic reaction and/or who have been exposed to serious allergens should notify an adult immediately.

For a more comprehensive statement on the Loft’s Food Allergy Plan, please visit the youth program page of [loft.org](http://loft.org).
Lunch Time Care | The Loft is able to provide lunch time supervision to children and teens of all ages who are enrolled in a morning and/or afternoon class at the Loft. You may register for lunch time care on the website when you register for a class, or you can call the education office to register.

NOTE: The Loft does NOT provide lunches during lunch time care, only supervision in a Loft classroom from noon until 1 p.m. Please send a lunch with your child. Loft staff will help your child find the right classroom.

The Loft does not provide child care before classes start at 9 a.m. or after classes end at 4 p.m. Please do not drop off young children more than five minutes before the start of a class, and please pick up your student promptly when class is over.

Loft/MCBA Combo Classes | If you register your child for a Loft/Minnesota Center for Book Arts combo class, you will drop your child off in one location in our building (usually in a Loft writing classroom, upstairs) and pick them up at the end of class from a different room in the building (usually in the MCBA studio space, on the first floor). Staff from both the Loft and MCBA will be present to guide you to where your children are when combo classes are in session.

Age Ranges and Writing Ability | The age ranges listed for each class are suggested guidelines. That said, before registering your gifted young writer for a class outside of their age range, please consider whether they would be comfortable in a class with children much older/younger, comfortable participating in more mature class discussions pertaining to writing for older audiences, and how it would affect the learning environment for other students. Please call 612-215-2579 with questions.

Scholarships | Families or individuals enrolled in a public assistance program are eligible for 95% scholarships toward a Loft summer youth class. Snacks, meals, and writing materials are provided. For assistance, please call or email us at 612-379-8999 or loft@loft.org.

Students with Special Needs | Youth students with special needs or disabilities are always welcome at the Loft! Please call us at 612-379-8999 if you would like to discuss how the Loft can accommodate the needs of your child or teen (hearing or sight impairments, children with PCA’s, learning challenges) in order for them to more fully participate in and enjoy Loft classes!

Student Readings | Many teaching artists hold student readings on the last day of class. Ask your child’s teaching artist whether or not they plan to hold a student reading; family and friends are always welcome to hear the work created by our talented young writers!

What to Bring | Please pack snacks, beverages, lunch (if applicable), and anything specified in the class description. The Loft will provide a notebook and pencil on the first day of class, but your student may bring their preferred writing utensils or beloved journals. The Loft does not provide laptops or tablets, unless otherwise indicated in a class description, but students are welcome to bring their own.
